

BARCELONA SCHOOL OF ECONOMICS SUMMER FORUM 2022 CALL FOR PAPERS

The Barcelona School of Economics (BSE) organizes the ninth BSE Summer Forum. The Summer Forum is a series of independent workshops that cover the main fields of Economics. The Summer Forum 2022 will take place from June 7 to June 21, 2022. The venue will be [Casa Convalescència](#) (Sant Antoni M^a Claret, 171) in central Barcelona.

We are regularly checking safety regulations related to the COVID-19 pandemic. If an in-person event is not possible, the workshop will be held online.

More detailed information on the Summer Forum 2022 and the previous editions is available on <https://bse.eu/summer-forum>

We would like to invite you to submit a paper to the workshop:

APPLIED INDUSTRIAL ORGANIZATION

The workshop will run for 2 days and will take place on June 16-17, 2022, in Barcelona.

The workshop seeks to promote the exchange and dissemination of state of the art quantitative research in Applied Industrial Organization and related empirical fields. We invite submissions from experienced and well-established international researchers as well as promising young scholars in the area.

The deadline for submissions is **February 28, 2022**. To submit a paper, please use this link <https://app-summerforum.bse.eu/>. Submissions should include a full paper. Authors chosen to present papers will be notified approximately by the end of March. A preliminary program will be announced by the end of April.

Please note that the BSE Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of other workshops that will take place within the Summer Forum. The same paper cannot be submitted to more than one workshop, but you are welcome to submit a different paper to another workshop.

There is no registration fee, and meals during the workshop will be provided for participants. The workshop organization **will not be able** to provide accommodation or travel support for speakers.

The workshop is funded funded by the European Research Council, ERC Grant #. 101001732-ENECML.

The BSE Summer Forum is one of the activities supported by the Severo Ochoa Program of Centers of Excellence (CEX2019-000915-S)
