

BARCELONA SCHOOL OF ECONOMICS SUMMER FORUM 2022 CALL FOR PAPERS

The Barcelona School of Economics (BSE) organizes the ninth BSE Summer Forum. The Summer Forum is a series of independent workshops that cover the main fields of Economics. Next year's edition will take place from June 7 to June 21, 2022. The venue will be [Casa Convalescència](#) (Sant Antoni M^a Claret, 171) in central Barcelona.

We are regularly checking safety regulations related to the COVID-19 pandemic. If an in-person event is not possible, the workshop will be held online.

More detailed information on the Summer Forum 2022 and the previous editions is available on <https://bse.eu/summer-forum>.

We would like to invite you to submit a paper to the workshop:

EXPECTATIONS IN DYNAMIC MACROECONOMIC MODELS

The workshop will run for 2 days and will take place on June 16-17, 2022, in Barcelona.

This is the 2022 edition of the workshop under the same title that has been organised since 2011.¹

The workshop is jointly organized by the BSE and CREI. The conference aims to bring together leading experts in the modeling of expectations in dynamic models with applications including, but not restricted to macroeconomics, financial economics, labor markets, IO, theory, etc.

We encourage junior economists to submit their research, they will also be eligible for funding.

- James Bullard (Federal Reserve Bank of St. Louis)

The deadline for submissions is **February 28, 2022**. To submit a paper, please use this link <https://app-summerforum.bse.eu/>. Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by the end of March. A preliminary program will be announced by the end of April.

Please note that the BSE Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of other workshops that will take place within the Summer Forum. The same paper cannot be submitted to more than one workshop, but you are welcome to submit a different paper to another workshop.

There is no registration fee, and meals during the workshop will be provided for participants. The workshop organization will provide accommodation and travel support for speakers.

The workshop is funded by the European Research Council (ERC) under the European Union's Horizon2020, research and innovation programme GA number 788547 (APMPAL-HET).

The BSE Summer Forum is one of the activities supported by the Severo Ochoa Program of Centers of Excellence (CEX2019-000915-S)
