

BARCELONA SCHOOL OF ECONOMICS SUMMER FORUM 2023 CALL FOR PAPERS

The Barcelona School of Economics (BSE) organizes the Tenth BSE Summer Forum. The Summer Forum is a series of independent workshops that cover the main fields of Economics. The Summer Forum 2023 will take place from June 6 to June 20, 2023. The venue will be Balmes Building (Balmes 132) in central Barcelona.

More detailed information on the Summer Forum 2023 and the previous editions is available on <https://bse.eu/summer-forum>

We would like to invite you to submit a paper to the workshop:

THE MACROECONOMICS OF LABOR MARKETS

The workshop will run for 2 days and will take place on 19-20 June 2023, in Barcelona.

This workshop aims at discussing research on the frontier of macro labor economics. We encourage theoretical and empirical submissions from all macro labor areas, including, but not limited to, discrimination in the labor market, search and matching, interactions between family and the labor market, labor force participation, the impact of automation, and insurance against labor market risks.

The workshop keynote speaker is **Prof. Fatih Guvenen (UMN)**

The deadline for submissions is **February 28, 2023**. To submit a paper, please use this link <https://app-summerforum.bse.eu/>. Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by the end of March. A preliminary program will be announced by the end of April.

Please note that the BSE Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of other workshops that will take place within the Summer Forum. The same paper **cannot be submitted to more than one workshop**, but you are welcome to submit a different paper to different workshop.

There is no registration fee, and meals during the workshop will be provided for participants. The workshop organization will not be able to provide accommodation or travel support for speakers.

The workshop is funded by the University of Toronto Mississauga and the Spanish Ministry of Science and Innovation Grant PID2021-122605NB-I00.

The BSE Summer Forum is one of the activities supported by the Severo Ochoa Program of Centers of Excellence (CEX2019-000915-S)
