

BARCELONA SCHOOL OF ECONOMICS SUMMER FORUM 2023 CALL FOR PAPERS

The Barcelona School of Economics (BSE) organizes the Tenth BSE Summer Forum. The Summer Forum is a series of independent workshops that cover the main fields of Economics. The Summer Forum 2023 will take place from June 6 to June 20, 2023. The venue will be Balmes Building (Balmes 132) in central Barcelona.

More detailed information on the Summer Forum 2023 and the previous editions is available on <https://bse.eu/summer-forum>

We would like to invite you to submit a paper to the workshop:

APPLIED INDUSTRIAL ORGANIZATION

The workshop will run for two days and take place on 6-7 June 2023 in Barcelona.

The workshop seeks to promote the exchange and dissemination of state-of-the-art empirical research in Applied Industrial Organization and related empirical fields. We invite submissions from well-established international researchers and promising young scholars.

The deadline for submissions is **February 28, 2023**. To submit a paper, please use the link <https://app-summerforum.bse.eu/>. Submissions should include a copy of the paper. Authors will be notified approximately by the end of March. A preliminary program will be announced by the end of April.

The BSE Summer Forum is a series of independent workshops. Authors are welcome to submit papers to more than one workshop. The same paper, however, **can only be submitted to a single workshop**.

There is no registration fee, and workshop meals are provided for participants. Unfortunately, the organization **cannot** provide accommodation or travel support for speakers.

The workshop is funded by the European Research Council, ERC Grant #101001732-ENECML. The BSE Summer Forum is one of the activities supported by the Severo Ochoa Program of Centers of Excellence (CEX2019-000915-S)
