

## BARCELONA SCHOOL OF ECONOMICS SUMMER FORUM 2023 CALL FOR PAPERS

The Barcelona School of Economics (BSE) organizes the Tenth BSE Summer Forum. The Summer Forum is a series of independent workshops that cover the main fields of Economics. The Summer Forum 2023 will take place from June 6 to June 20, 2023. The venue will be UPF Balnes Building (Balnes 132) in central Barcelona.

More detailed information on the Summer Forum 2023 and the previous editions is available on <https://bse.eu/summer-forum>

We would like to invite you to submit a paper to the workshop:

### ADVANCES IN STRUCTURAL SHOCKS IDENTIFICATION

The workshop will run for 2 days and will take place on 8-9 June 2023, in Barcelona.

The keynote speakers are:

- **Karel Mertens**, Federal Reserve Bank of Dallas
- **Evi Pappa**, Universidad Carlos III de Madrid

Under what conditions structural macroeconomic shocks can be identified with empirical time series models? Several influential papers have shown that, in many theoretical models, Structural VAR analysis is unable to correctly estimate the economic shocks of interest and their propagation mechanisms. This has sparked an important research effort in trying to understand the conditions of validity of structural macroeconomic analysis using time series models, and new techniques to identify structural shocks have been developed. The workshop aims at bringing together researchers and scholars working in this field to share ideas and contribute to the debate.

The deadline for submissions is **February 28, 2023**. To submit a paper, please use this link <https://app-summerforum.bse.eu/>. Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by the end of March. A preliminary program will be announced by the end of April.

Please note that the BSE Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of other workshops that will take place within the Summer Forum. The same paper **cannot be submitted to**

**more than one workshop**, but you are welcome to submit a different paper to a different workshop.

There is no registration fee, and meals during the workshop will be provided for participants. The workshop organization **will not be able** to provide accommodation or travel support for speakers.

The workshop is funded by the Ministerio de Ciencia e Innovación (Grant Ref. PID2021-122605NB-I00).

The BSE Summer Forum is one of the activities supported by the Severo Ochoa Program of Centers of Excellence (CEX2019-000915-S).
